Sometimes customers provide a wrong email address on this form. Please check the email you have provided for accuracy, as we are not able to deliver your keys if the email is not valid. Within 2 days at the most, you will receive a registration email from us with the subject "GoldScrap — licensing information". It will contain the registration code to unlock the GoldScrap software for permanent use.

Your email address will be automatically subscribed to our newsletters. You will be notified about updates, upgrades and new releases of our software products. You can unsubscribe from our newsletters at any time. Each letter has a link to manage you subscription.
